

ECOCAPS™

Live the life you want to with ECOCAPS™

The power of hemp in a convenient, vegan capsule, to keep your on-the-go lifestyle running at its best. Take one in the morning to start your day right and one at night to wind down even the longest of days. Each capsule is packed with essential nutrients for your daily routine.

PRODUCT SPECIFICATIONS

Our full spectrum, whole plant, lab tested for quality assurance, non-GMO, gluten free and vegan products are here for you. ECOCAPS™ are your daily supplement of full spectrum hemp that retains all of the terpenes, cannabinoids, vitamins, lipids, nutrients and compounds without using pesticides or other harsh chemical solvents.

ECOCAPS™ are made with a powdered form of dehydrated full spectrum hemp in a vegetarian capsule made of vegetable cellulose and water. It is not a CBD isolate that destroys parts of the hemp plant. We use a responsible CO2 extraction method to extract all of the beneficial parts of the hemp plant to bring it to its powdered form.

Size: One bottle containing 30 capsules

Strength: 170mg Purified Hemp Oil Extract per capsule.

Suggested Use: One capsule in the morning, one capsule at night.

FULL SPECTRUM HEMP EXTRACT

Whole plant hemp formula designed with all natural terpenes intact for maximum effect.

LONG LASTING EFFECT

Maintain and manage your daily hemp intake with an easy two-a-day routine. Each capsule activates steadily throughout the day or night.

NUTRIENT RICH HEMP

Natural hemp contains over 500 nutrients designed for the human body and many natural terpenes that studies have shown to aid with various ailments.

NON-PSYCHOACTIVE

Unlike Marijuana, full spectrum hemp extract does not produce a psychoactive effect. Hemp extract targets the body's critical needs.

NATURAL ANTI-INFLAMMATORY

Studies have shown that hemp extract can act as a natural anti-inflammatory, helping with an assortment of aches and pains.

CLEARER SKIN

According to several researchers, hemp extract has been shown to benefit skin in many ways due to its nourishing vitamins and moisturizing qualities.

VEGAN AND VEGETARIAN APPROVED

All ingredients are vegan and vegetarian, packed into a natural plant based capsule.

KICK STRESS TO THE CURB

Research has shown that hemp extract can have a positive affect on anxiety and stress that keeps you from feeling your best.

CONVENIENCE IS KEY

ECOCAPS™ come in both a 30 count bottle or a 2 count travel sachet. Perfect for home and when you need hemp on the go.

MSRP: \$72.88

See what our customers say about ECOCAPS™

★★★★★ "A MIRACLE"

"I have Ankylosing Spondylitis and nothing has helped the extreme pain I get from this disease until now. I used the ECOCAPS™ on one of my worst flare ups and within 30 minutes the intense sharp pains were gone. Life saver." - Nickoa

★★★★★ "RID OF MY DEPRESSION"

"Seriously, one capsule and I felt normal again. In fact, I hadn't realized how depressed I was until the ECOCAPS™ brought me back to normal. So, it's gotten rid of my depression, my high blood pressure and my glaucoma." - Shari Farrar

★★★★★ "I CAN SLEEP AT NIGHT"

"I bought this for pain and a substitute for opiates. I was amazed at the pain relief and as an added bonus I can sleep at night. I have reduced opiates by 80%. Very happy with this product." - Robert Sneed
