RIXMIX™

Get the most out of your hemp with RIXMIX™

RIXMIX™ is the next level of hemp extract. This highly concentrated tincture can be used directly under the tongue or as a vape additive. Rich with high quality hemp extract, every bottle is a very versatile hemp solution for your needs.

PRODUCT SPECIFICATIONS

RIXMIX™ is part of our full spectrum whole plant bulk concentrate line. RIXMIX™ is produced by utilizing a responsible CO2 supercritical extraction method to extract the CBD, as well as all terpenes, cannabinoids, vitamins, lipids, nutrients and compounds. This concentrate is a full spectrum hemp extract that retains all of the beneficial parts of our organically grown European hemp plants without using pesticides or using harsh chemical solvents to extract CBD.

Our Gold, Platinum and Onyx lines are designed more towards vaping, RIX500 was designed to give you the high bulk concentrate of CBD that you want, and flexibility to be used as either a sublingual, drink additive, or as a vape additive.
